No. C.115/[illegible] Office of the Muzrai Commissioner in Mysore

Dated Bangalore, 2nd December 1924.

From

Muzrai Commissioner in Mysore,

Bangalore.

To

M. V. Anantaraman, Esquire., B.A., Muzg. 153-24-1.

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

In submitting herewith petition C.115 of 24-25 dated 29th November 1924 presented by Mr. M.A.Shastry and other members of the Shiyya community, Mysore town, praying for a grant of Rs.3500/- from Government for the completion of their mosque at Mysore, I have the honor to state that permission for the construction of the mosque under advertance, in the compound of the Hussaini Ashurkhana in the Ragi Manai Street, Mysore, was granted by Government in their order No.850-1/Muz.316-23-6 dated 29th December 1923. The devotees represent that they collected Rs.5500/- and even with the most economical use of the amount, the structure is incomplete as it requires roofing, plastering, flooring etc., and for this purpose they pray for a grant of Rs.3500/-. I have seen the structure during my stay at Mysore for the Dasara Session. The building is a substantial one with a heavy outlay.

The institution has a large number of important devotees of the Shiah sect who have contributed liberally for the work and their present request to enable them to complete the building deserves sympathetic consideration at the hands of Government.

I beg to recommend that a sum of Rs.3500/- may be sanctioned from the interest earnings of the General Muzrai Fund.

On receipt of Government sanction, necessary estimates with

plans will be obtained from the Deputy Commissioner and dealt with - in the usual course.

I have the honor to be,

Sir,

Your most obedient servant,

K Chandy

Mudral Commissioner.

To

The Muzarai Commissioner in Mysore,

Bangalore.

Most respected Sir,

We, the leading members of the Shiya Community in Mysore Town respectfully beg to represent as follows :-

Received with Muzarai Commissioner's letter 3/11/25.

1. That amidst the Shiya Mohalla, Mysore Town, there is an Ashurkhana in existence for about a century and a quarter.

2. That the Old Building constructed at that time has been utilized for social & religious functions performed uninterrupted-ly.

3. That the building being in a delapidated condition was repaired at a great cost during recent years out of the subscriptions raised and contributed by Philanthrpic Gentlemen.

4. That on account of its popularity and rapid development and absence of any Mosque for Shiyas, it was found necessary to construct a Mosque separately in the same premises for the performances of religious functions, leaving the Old Building for social, Civic and Literary purposes which are keenly undertaken by the leading Musalmans of both Sunni & Shiya persuasion.

5. That on account of the extensive usefulness felt and the pressing necessity, this work of construction of the Mosque attracted the Gracious & August patronage of our beloved sovereign HIS HIGHNESS THE MAHARAJA as well as the kind attention of distinguished gentlemen, Musheer-ul-mulk Mr Mir Humza Hussain Sahib, Ameen-ul-mulk Mr Mirza M Ismail Sahib, Mr Sadeq Z Shah etc. all of them having kindly contributed most liberally.

6. That a sum of Rs.5,000/- thus raised by contribution was economically and carefully spent but the work so far turned up will be completed if a grant of at least Rs.3,500/- to meet the cost of flouring, plastering, ceiling and putting up a frontal varandah be kindly sanctioned to supplemental Rs. 500/-

Sir,

With reference to your letter No.944 Muz.153-24-2 dated 26th December 1924 stating that the grant of Rs.3500/- for the completion of the construction of the Mosque at Ragi Mandi Street, Mysore could not be madefrom the interest earnings of the general Muzrai Fund for reasons stated, I have the honor to state that the work has been -- undertaken by the devotees of the Shiyya Sect who are a minority, - at great cost and they represent that they have contributed already to the extent of Rs.5500/- but still the building is incomplete as roofing plastering, flooring etc., have yet to be attended to.

2. In view of the fact that the institution has a large number of important devotees of the Shiyya Sect who have liberally contributed for the work, their present request is one deserving favourable consideration. Since the State Grant of Rs.10,000/- sanctioned for the current year has all been allotted ere this, I beg to recommend that the sum of Rs.3500/- required to complete the building may be kindly sanctioned as an additional grant from State Funds as a special case.

3. On receipt of Government orders, the necessary estimates with plans will be obtained from the Deputy Commissioner and dealt with in usual course.

I have the honor to be,
